Are you an exceptional English/Social Studies teacher looking for an opportunity to join a cohesive team of motivated, entrepreneurial minded educators? One where your contribution makes a positive impact on the lives and learning of future leaders in Science, Technology, Engineering and Math? If yes, consider applying for this rewarding, full-time, probational contract teaching job at STEM Collegiate.

## ABOUT US

STEM Collegiate is one of 36, tuition free, public charter schools operating in Alberta. In our inaugural year of operation (2023-2024), we welcomed 257 grade 7-9 students and are expanding to offer grade 10 in 2024-2025. By August 2026, STEM Collegiate will offer a full secondary program from grade 7 to 12. We are excited to offer cutting-edge STEM education in a beautiful, state of the art building located in the south end of the city of Edmonton.

We believe every student can be successful in STEM and should have the opportunity to learn about cutting-edge science and technology topics. Our unique and robust course offerings provide rich experiences that help students explore and expand their interests, while gaining awareness of post-secondary programs and opportunities in STEM fields.

English Language Arts and Social Studies are taught as distinct and separate subject matter at STEM Collegiate. This delineation allows our teachers to focus their instruction on ensuring that our students graduate with strong abilities and have the skills and abilities required to successfully enter, and complete, a post-secondary program in a STEM related field.

STEM Collegiates (STEM CC) mission is to inspire well-educated, strong students to be the next generation of knowledgeable creators, innovators, and responsible leaders.

## POSITION INFORMATION

Gr. 7-10 English Language Arts (ELA), Social Studies (SS) & Physical Education (PE) or Options.

- Our goal is for teacher assignments to align with their training, expertise, and interest.
- As we grow, we hope to limit the different subjects/grades teachers are assigned.
- During our 1<sup>st</sup> few years offering high school, flexibility will be required of our teachers.
- STEM CC offers ELA 10-1, ELA 20-1, and ELA 30-1 to our high school students.
- STEM CC offers SS 10-1, SS 20-1, and SS 10-1 to our high school students.
- P.E. and/or CTF Options may be included as part of this assignment 2024-2025. TBD.

## EDUCATION & REQUIREMENTS

- Canadian Citizenship or ability to work in Canada as a certified teacher in Alberta.
- Valid Alberta Teaching Certificate or eligibility to obtain one prior to August 2024.
- Bachelor of Education Degree or equivalent recognized by Alberta Education.
- Prior Teaching or Student Teaching experience at the junior high or high school level.
- Willingness to coach at least one extracurricular school sports team is a requirement.
- Preference given to those able to teach CTF Options Courses or Physical Education.

## SKILLS & COMPETENCIES

- Evidence-based instructional practices that ensure students academic success.
- Strong content knowledge and ease in teaching grades 7 to 12 ELA and Social Studies.
- Confidence, skill, knowledge, and understanding of Alberta Program of Studies
- Experience or familiarity with scoring criteria for Grade 9 PAT's and Diploma Exams.
- Capacity to effectively deliver subject matter content for a diverse student population.
- Comfort with employing outcome-based assessment and percentage reporting.
- Collaboration in the development of innovative learning experiences for students
- Build and maintain effective professional relationships with all stakeholders.
- Innovator's mindset - willingness to take risks and adapt to new challenges.
- Personal attributes to adapt, grow and thrive in a constantly evolving environment.
- Competence in using, or willingness to learn, online learning support tools (*i.e., MS 365 for Education, PowerSchool, Power Teacher Pro, etc.*)

## APPLICATION REQUIREMENTS

- Cover Letter - tailored to the position description & requirements.
- Resume/Curriculum Vitae - **contact information for 3 references must be in the CV.**
- Name, phone number & email of three references (must be recent supervisors)  
**Please note:** References will not be contacted prior to obtaining candidate consent.
